TOWN OF HANOVER

Dear Michaela,

As a resident and a business owner of the Town of Hanover , I am writing this letter in support of the new Hanover Crossing redevelopment . I understand the residential components will be in front of the ZBA on 11/28/18. My recommendations is that the modest variances PREP is looking for should be approved . It is important that the future business of the Hanover mall be given a chance to succeed In support of the local businesses and residents. Could you please pass this message to the chairman of the ZBA- Matthew Perkins.

Thank you in advance.
